

February 2019

Dear Friend,

Thank you for your contributions to the Denver community. We feel lucky to be a part of such a dynamic, prosperous and friendly city, where we care about each other and our beautiful surroundings that nurture our spirit.

On March 30, 2019, the Denver Waldorf School will host its Biennial Gala and Auction at the Denver Center for the Performing Arts. We aim to honor the accomplishments of the past century and look forward to fulfilling our vision for the 21<sup>st</sup> Century — one where our vibrant campus is brimming with students, all of whom embrace life and learning with enthusiasm, initiative and purpose; and with graduates who are ready and eager to bring unique and relevant contributions to the world.

The Gala brings together 250 to 350 parents, friends and community members for a fun evening of dinner and dancing along with silent and live auction bidding. Our goal is to raise a minimum of \$100,000 for programming, campus improvements, operating support and tuition assistance. As inclusivity is considered a core value of DWS, close to 30% of our student body receives financial aid or scholarships.

For the 2019 Gala, we hope you and your business will consider donating a gift certificate or product with the value of \$50 or more. Your donation will generate new or additional business, strengthen your presence in our community, and support a worthy cause.

As a nonprofit organization, support from our community members and friends is essential. With much gratitude, we request your support.

With Gratitude,

Craig A. Bond  
*Development Director*

Kimberly Martin  
*Events Coordinator*
