

Substitute Teachers

The Denver Waldorf School is looking for substitute teachers for all levels (early childhood, 1-5 grade, and middle and high school). Substitutes are needed to help cover classroom assistants or lead teachers. Substitutes are often able to work one or multiple shifts per week to cover available spots in the school. Longer stints are sometimes available.

Substitution rates differ depending on whether the substitute is filling in as an assistant, taking the lead in the class, or doing class preparation work. Rates vary between \$15.00 and \$20.00 per hour.

DWS is a friendly and lively urban preK-12 school with 350 students located in Denver, Colorado. Founded in 1974, we are a fully accredited full member school of the Association of Waldorf Schools of North America, the Waldorf Early Childhood Association and the Association of Colorado Independent Schools.

If you are interested please send a cover letter with your resume with contact information for three professional references, as well as the age groups you are comfortable subbing with to:
